ABOUT US

At GrowHub, we believe in the enduring power of human creativity and the importance of preserving India's rich cultural heritage. Our platform is more than just an e-commerce marketplace; it is a movement dedicated to empowering artisans, fostering sustainable livelihoods, and showcasing the finest craftsmanship from across the country. We work closely with over 5,000 artisans, supporting them in their craft and ensuring that their skills continue to thrive in the modern world. By collaborating with some of the finest local clusters of Northeast India and beyond, we bring authentic, handcrafted products to a wider audience. With a pan-India service, we make it easy for people to connect with and appreciate traditional artistry, helping artisans sustain their livelihoods while keeping India's rich heritage alive.

FURNITURE
